

San Diego Parkinson's Community Winter Cruise Departing San Diego November 2019

UCSD Parkinson's Support Group Network participants have decided they want to go on a cruise. And, because they believe in the adage, "the more the merrier", we are MOST welcome to join them!

David Higgins, UCSD Support Group Manager said, "It would be great if we could make this something really grand. A cruise can be such a liberating activity for people with limited mobility issues."

Below are specifics from David Higgins regarding the cruise.

Our group's designated dinner time during the cruise will be 5:45.

For reservations or more information call:

[877-724-5425](tel:877-724-5425)

Information you will need to book a cabin as part of our group:

Group number: TN7

Sailing number: o978 (the letter "o", not the number "zero").

Departure date: 30 November 2019

The price you book will include a group discount.

For cruise questions I suggest you contact Holland America - they are far more knowledgeable about details than I. But please send me an email when you've booked a cabin so that I can keep a running list of everyone going as part of our group.

There are plenty of ADA-compliant rooms, but if you have specific question for Holland America regarding on-board facilities or accessibility you can call: [800-547 8493](tel:800-547-8493).

As we get closer to departure date, we can discuss activities we might want to plan for during the cruise.

This will be a lot of fun. Look out Mexico, here we come!
